Water Permits Branch,

In preparation for meeting with MassDEP and conversations with NHDES, please take a look at your assigned permits on the attached chart and, at a minimum, that “who” column. Send me any update/corrections for the “who” column if it is incorrect in indicating that we are waiting for a state review or other next step. This column should represent whose court the next step is in. Other updates are optional and welcome. Please respond by noon, Tuesday 6/17/14. You can do it in an email or make corrections on the table for any of your assigned permits. Thanks.

David
